# Invest in Girls, Change the World!

Girl Scouts of San Geronio Council welcomes you on this new journey to help girls discover a world of new and exciting things! As volunteers you are vital to the success of not only our movement but to the lives of the girls you will lead. If your passion is to “Live out Loud” then we need you, your talents, life experiences, and knowledge - anyone can teach a girl to soar and reach her full potential! Everyone has something to offer to Girl Scouting. Volunteers can participate as much as they want: short-term, on-going, working directly with girls, behind the scenes, with a troop, or even at the administrative level. There are many opportunities available. Whatever amount of time you can give, it means a lot to the girls.

## Volunteer Philosophy

Volunteers are our movement’s greatest role models! By offering our girls new ways to see and change the world, or get involved in the community, our volunteers teach them the importance of not only helping others, but giving back! Our mission is to build girls of courage, confidence, and character, who make the world a better place. These policies are designed to ensure volunteer position satisfaction and to utilize the talents of volunteers effectively to create quality programs in a positive environment.

## Volunteer & Staff Code of Ethics

The Girl Scout Promise and Law express the basic beliefs of Girl Scouting and provide the foundation for individuals and groups. Girl Scouting is open to all girls and adults who accept the Girl Scout Promise and Law. A volunteer or staff person’s acceptance of the Girl Scout Promise and Law is the primary qualification for membership in the Girl Scouts, as it has been since 1912. It is imperative that each volunteer and staff person believe in Girl Scouting principles, maintain the highest standards of conduct, and demonstrate their ability to perform the requirements of their volunteer position.

## Girl Scout Promise

On my honor, I will try:  
To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

{\*Girl Scouts does not attempt to define the word “God”. Individuals may substitute wording appropriate to their own spiritual beliefs}

## Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong, and  
responsible for what I say and do,  
and to  
respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place,  
and be a sister to every Girl Scout.

## **Introduction:**

# **Girl Scouts of San Gorgonio Council Policies**

Members of the Girl Scouts of San Gorgonio Council (GSSGC) shall follow these policies as established by Girl Scouts of San Gorgonio Council's Board of Directors and the national policies as established by Girl Scouts of the USA. The policies outlined below relate specifically to the work of council volunteers. Council staff have policies to which they must adhere, which can be found in the document entitled *Employee Handbook Girl Scouts of San Gorgonio Council*. The Board of Directors has the sole responsibility of approving and amending policies for the Girl Scouts of San Gorgonio Council.

All material in this document is subject to change and amendment. For clarification on any information contained in this document call GSSGC at 909-307-6555.

## **Diversity & Inclusion / Affirmative Action**

The Girl Scouts of San Gorgonio Council embraces the concept that excellence must be achieved through diversity and is committed to securing representation of people to reflect the cultural, ethnic, and racial diversity of our communities. We uphold our commitment to the "Affirmative Action for Volunteers" policy of Girl Scouts of the USA, which states: "There shall be no discrimination against an otherwise qualified adult volunteer by reason of disability or on the basis of age. Furthermore, there shall be no discrimination on the basis of race, color, ethnicity, gender, creed, national origin, sexual orientation, or socioeconomic status. In addition, to ensure full equality of opportunity in all operations and activities of the organization, affirmative action policies and procedures are utilized in the recruitment, selection, training, placement, and recognition of volunteers. Special emphasis shall be placed upon securing representation of underrepresented population groups for committees and at training levels." GSSGC does not discriminate against individuals or otherwise qualified adult volunteers on the basis of: sex, gender identification, religion, citizenship status, ancestry, physical or mental disability, medical condition, genetic information, marital status, military and veteran status, or any other basis protected by federal, state or local law or ordinance or regulation. GSSGC also prohibits discrimination, harassment, disrespectful or unprofessional conduct based on the perception that anyone has or is associated with a person who has any of those characteristics.

1. Volunteer Essentials Training (formerly Basic Leadership Training (BLT)) for any Girl Scout position will include affirmative action, anti-racism, diversity, equity, and inclusion training.
2. Council staff shall maintain current lists of all girls for placement into troops in compliance with the affirmative action policy.
3. Council staff will provide support to the all volunteers to ensure diversity and inclusion throughout the Girl Scout program.
4. Council staff will annually review membership ethnic and school statistic reports in an effort to provide support to administrative regional volunteer team members to ensure diversity throughout the Girl Scout program.
5. Council-wide recruitment procedures for all girls and adults will be developed and implemented with an emphasis on reaching under-represented populations.

# Anti-racism & Antidiscrimination Policy

Girl Scouts of San Gorgonio Council will not tolerate racism in any form. We are committed to providing an anti-racist environment that ensures all girls of color and culture feel supported, welcomed, and treated with dignity and respect. Our council will take action to support all girls, volunteers, alums, staff and family members to ensure a more equitable organization that does not tolerate racial injustice. Girl Scouts of San Gorgonio Council strictly prohibits all forms of discrimination, harassment, retaliation, verbal misconduct such as epithets, derogatory jokes or comments, slurs or advances, derogatory visual displays, invitations, comments, threats, demands and posts or messages via electronic media and social media of any type that implies or intends to inflict harm on another because of their race or culture. Anyone exhibiting such conduct violates council policy and is subject to immediate suspension or termination of their volunteer position or membership status at Girl Scouts of San Gorgonio Council. We also reserve the right to prohibit the presence of a non-member adult at all Girl Scout activities.

## Understanding Inclusiveness Looks Like This:

Girl Scouting provides opportunities and resources to prepare girls to seek and meet the challenges of an ever-changing society. As we participate in the Girl Scout program we **welcome, embrace, appreciate** and **live our values** with others.

As a member of Girl Scouts of San Gorgonio I am committed to the following principles and will practice them at all times. I will also welcome feedback from my peers as I learn about the variety of backgrounds in my community.

### *I will:*

#### **WELCOME**

1. Seek out girls and adults from a variety of backgrounds\* and welcome them into my troop/group/activity/pathway.
2. Honor both similarities and differences by including girls and adults in Girl Scouting who bring with them a variety of backgrounds.
3. Strive to get to know, beyond a surface level, girls and adults from a variety of backgrounds, interests, talents and skills.

#### **EMBRACE**

4. Encourage and participate in dialogue with fellow Girl Scouts that embraces the variety of ideas and opinions, making Girl Scouting a great place to prepare to meet the challenges of an ever-changing society.
5. Seek out and include opinions and information from as many sources and perspectives as possible when planning and making decisions that affect my troop/group/activity/pathway.
6. Make sure that Girl Scouting is welcoming for girls by including a variety of options in planning and implementing programs and activities.

## APPRECIATE

7. Take advantage of opportunities to step outside of my own culture to experience, learn about and appreciate the world around me.

8. As a result of stepping outside of my own culture, identify and practice behaviors that are respectful of all people.

## LIVE OUR VALUES

9. Think about how I use my personal resources (time, money, talents) and seek to share my resources in situations and places where the values of including and respecting others are welcomed.

10. Make sure that our communications (newsletters, announcements and other written materials, such as emails, texts, and electronic and social media) reflect the diversity of our troop/group/activity/pathway and are respectful of all people.

\*Each background is a unique combination of race, ethnicity, sexual orientation, gender, socio-economic status, age, geographic origin, size, physical and mental ability, family, religion, opinions, talents, skills, experience, education, profession, interests, personality, and hobbies.

## Membership

Girl membership shall be open to any girl between the ages of 5 and 17 or K to grade 12 including transitional kindergarten who accepts the Girl Scout Promise and Law.

Adult membership shall be open to any person who meets the following requirements:

1. Be a minimum of 18 years of age
2. Accept the principles and beliefs as stated in the [Preamble to the Constitution of Girl Scouts of the USA](#) (can be found on GSUSA's website).
3. Pay a non-refundable annual membership fee or hold a lifetime membership.
4. Subscribe to the Promise and Law as well as all policies established by Girl Scouts of the USA (GSUSA) and Girl Scouts of San Gorgonio Council (GSSGC).

To register as a troop/group in GSSGC:

1. The **minimum** size of a troop/group for Daisy (D) , Brownie (B), Junior (J), and Cadette (C) Girl Scouts shall be no less than five girls and two adults.
2. The **minimum** size of a troop/group for Senior (S) or Ambassador (A) Girl Scouts shall be no less than three girls and two adults.

If, at any time, a troop/group drops below the needed number of registered people, they will have 60 days to become compliant or must register the remaining girls as individually registered Girl Scouts ("IRG" on GSUSA paperwork).

The designation of a troop/group (i.e. D, B, J, C, S, or A) shall be dependent on the majority of registered girls in an age level.

In regards to multi-age/grade level troop/groups: grade level specifics apply at all times. (i.e. money earning activity guidelines shall apply to specific levels, extended trip rules, partitioning of funds, etc.)

In regards to bridging, Girl Scouts may begin to earn badges and recognitions for their new level once bridged. However, due to progression they would not be eligible to follow policies designed for the next level or participate in a program designed for the next level until the new school year starts. For example travel or summer programs.

All volunteers participating in the movement **MUST** be registered as members of Girl Scouts.

## **Volunteer Appointment Process**

### ***Categories of Volunteers***

In Girl Scouts we have many different types of volunteers who work with our organization. These volunteers fall into two categories, Girl Scout volunteers and community partners\*.

**Girl Scout Volunteers** are members of our organization and volunteer as individuals. These policies apply to those volunteers and this category is more clearly defined below.

**Community Partners\*** are volunteering for Girl Scouts but are representing another organization. These types of volunteers are often presenters or offer some type of manual labor. These policies do not apply to these volunteers, but all Girl Scout policies related to girls must be followed when interactions occur. Community partners may never supervise girls unless they are also a background screened/cleared Girl Scout volunteer. In addition, they may not have fiduciary responsibility unless previously approved by the chief executive officer of Girl Scouts of San Geronimo (CEO) or his/her designee.

\*When community partners are assisting at events (such as Mega-Drop) appropriate insurance must be arranged.

Furthermore, Girl Scout Volunteers fall into two categories, operational volunteers and governance volunteers.

**Governance Volunteers** are elected to their positions and play a direct role in governing the council. Governance volunteers include members of the board of directors, board committee members, region chairs, delegates, etc.

**Operational Volunteers** are appointed to their positions through an application process and include leaders, co-leaders, assistant leaders, trainers, episodic volunteers, program/event volunteers, , etc.

### ***Position Descriptions***

Each volunteer position will have a written position description that defines specific responsibilities and clarifies expected performance of duties.

## ***Application Process***

Each candidate for a volunteer position supervising girls or with fiduciary responsibility **MUST** complete the following application process:

1. Complete an application form.
2. Pay a fee to undergo a criminal history background check.
3. An interview and reference checks may be conducted randomly.
4. A DMV printout may be required for volunteers transporting girls.

In addition, all volunteers wishing to work with the Girl Scouts of San Gorgonio Council must complete any training required for the position into which they are placed.

## ***Volunteer Selection***

Every potential adult volunteer is selected on the basis of ability to perform the job, willingness to complete the required application process, willingness and availability to participate in training, and willingness and ability to supervise the health and safety of the girls.

Selection of adult volunteers is dependent on the results of the criminal history background check and other pertinent information such as the interview, reference checks, etc. Certain criminal records will automatically disqualify the applicant from serving as a volunteer. These may include, but are not limited to, crimes against children, hate crimes, felony offenses against persons and/or family, crimes defined as public indecency, crimes involving weapons, arson, DUI convictions, any violent crime, serious drug related offense, or other similar convictions.

If there is a question regarding the applicant's qualifications to serve as volunteer, applications will be reviewed by the CEO or his/her to determine whether initial or continued placement is appropriate.

Providing false information in the application process is an automatic disqualification.

The health and safety of the girls is paramount. If a registered sex offender resides in the household of a Girl Scout volunteer, the applicant or volunteer will be reviewed on a case by case basis. At a minimum, the volunteer must notify council and every parent/guardian in writing.

If, after the application is approved, a registered sex offender becomes a member of the household, the volunteer **MUST** immediately report this to the council CEO in writing.

Every troop must have at least one volunteer designated as an "01"; however they may have multiple "01"s acting as "co-leaders."

Every volunteer position in Girl Scouting is open to qualified men as well as women. Men working directly with girls **MUST** serve as "co-leaders" with unrelated women leaders of the troops/groups. This policy adheres to GSUSA standards as stated in *What We Stand For*.

If troop leadership is related by blood or marriage, living in the same household, or sharing a domestic partnership, then a third non-related or unaffiliated volunteer must be present at all times when girls are present.

See Council-Sponsored Product Sale booth rules regarding cookie/fall product season for current regulations as supported by Girl Scouts of San Gorgonio Council and the board of directors.

## ***Volunteer Placement***

Every attempt will be made to place qualified applicants in the positions they request, consistent with the needs of the council. If the position requested is not available, or the individual is not selected for that position, the individual may be offered another position for which she/he may be qualified. If one is currently available, and a volunteer may request reassignment as another position becomes available.

## **Volunteer Appointment**

Volunteer appointment shall be based on the qualifications of each individual and the needs of the council.

A volunteer agreement will be completed at the time of appointment to a volunteer position and for each subsequent year of volunteer service. It will include expectations of continuity of service, specific expectations for job performance, and the signature of the volunteer and his/her supervisors. A position description and a copy of the council policies will accompany the agreement.

Volunteer agreements, appointments and reappointments are at the discretion of the CEO or his/her designee and shall be based on the guidelines set forth in this document.

## **Code of Conduct**

The core mission and beliefs of our Council fuel our commitment to promoting safe, positive and inclusive environments for all. As a member of the Girl Scout movement, it is expected that a high code of ethics and a high code of conduct, as defined by the Girl Scout Promise and the Law, be adhered to when representing Girl Scouting. Unacceptable volunteer behaviors that may be cause for immediate suspension, termination, or removal from the troop/group environment are outlined in this document.

This includes but is not limited to the parents working with troops who do not follow policies and procedures.

Volunteers must safeguard the health, safety, and well-being of all girl and adult members at all times.

Volunteers and/or family members shall not use their position to solicit for personal gain, (e.g., consultant, supplier of goods or services, paid instructional services, or in any other capacity which promises compensation of any kind) unless the facts are disclosed in full faith and authorized by the CEO.

## **Performance Appraisal of Volunteers**

The purpose of the performance appraisal is to assess a volunteer's performance and areas of needed growth. The *Volunteer Agreement* and/or *Position Description* will serve as the basis for appraisal.

It is recommended that the volunteer prepare a written self-appraisal to be submitted to the designated council staff prior to the annually scheduled performance appraisal. Volunteer appraisals will be reviewed by the appropriate council staff with the volunteer and recommendations are made regarding continued placement, improvements, and/or new assignments. A copy of the appraisal is signed by the volunteer and the designated council staff and filed in the volunteer's personnel file.

All *Volunteer Performance Appraisals* that include significant concerns regarding volunteer performance or conduct **MUST** be reviewed by the CEO or his/her designee.

## Reappointment of Volunteers

Reappointment of volunteers is done on an annual basis depending on the willingness to perform the duties set forth in the job description and the past performance of the volunteer.

## Release of Volunteers

Release of volunteers is at the discretion of the CEO or his/her designee. A volunteer may be released if:

- the volunteer receives a negative performance appraisal or does not submit a requested self-appraisal in a timely manner

- the volunteer is unable and/or unwilling to fulfill the duties as outlined in the position description and/or as specified in the volunteer agreement

10. firearms/ammunition/weapons - no firearms or weaponry shall be in possession of, on the person, or in a vehicle, of any Girl Scout member or non-member accompanying them while engaged in Girl Scout activities UNLESS the person is a sworn peace officer or a registered/licensed instructor for a safety program on use of firearms/ammunition/weaponry.
11. inappropriate, abusive, profane, or offensive language.

14. refusal to submit an accurate and timely *Financial Report*, due by June 15 each year or within 30 days of change of leadership, troop split, dissolution of troop/group, or on demand from designated council staff.

### ***Process for Release/Suspension of a Volunteer***

1. Designated council staff will bring to the attention of a member of the senior management team or the CEO any issues that may require termination/suspension of an appointed volunteer.
2. Termination/suspension of services prior to the end of appointment will be based on reasons delineated in this document and/or at the discretion of the CEO.
3. Except in cases involving offenses that require immediate termination, prior to releasing/suspending a volunteer, the following process will be followed:
  - a. An interview shall be conducted (via phone or in person) at the discretion of the CEO with regards to the offending incident. At that time the volunteer will be told of the specific performance areas that are not satisfactory based on observable and documented information.
  - b. If, at the discretion of the CEO, a probation period is required, a time period, not to exceed 90 days, will be established, at which time improved performance must be evident.
  - c. If a satisfactory level of performance is not achieved within the established time period, an official notice of release from the volunteer position will be communicated, in writing, to the volunteer by the CEO or designated council staff member.
  - d. All circumstances, including all written documentation and communication concerning release from a volunteer position, shall comply with state regulations concerning confidentiality.
  - e. In all cases, reasons for non-reappointment and release will be documented and discussed with the volunteers by designated council staff.

- f. Volunteers will be informed of the council grievance procedures at the time of their non-reappointment or release.

## Resignation of Volunteers

Volunteers may initiate termination of services at any time. A volunteer unable to complete his/her term, or who chooses to terminate his/her services at the end of a term, should give written notice to his/her volunteer supervisor or council representative at least thirty days in advance. She/he should make arrangements for an exit interview, and to share all information and materials with designated council staff in order to ensure the uninterrupted experience for the girls.

After a notice of resignation has been received, the membership status of the volunteer will be transferred to an appropriate GSUSA adult position code until the end of the membership year.

In some cases, council staff will assume the responsibility of the member's volunteer position until such time as arrangements can be made for options deemed suitable by a member of the management team or the CEO.

All troop/group records, equipment, funds, and/or major supplies **MUST** be returned to designated council staff with 72 business hours of resignation or termination. A financial report is due within 72 hours of council terminated leadership of troop/group.

## Grievance Policy and Process

## **Health and Safety**

Girl Scouts of San Geronio Council ensures that the Girl Scout program is delivered in a reasonably safe and secure environment.

The council provides safety guidelines and support to Girl Scout leaders by answering questions, providing training, suggesting resources, interpreting guidelines, selecting and approving sites, and recommending program consultants for specific activities. ## **Smoking**

Smoking - Smoking in non-designated areas or in the presence of girls is prohibited. As per California state law, you must be a minimum of 50 feet away from a non-smoker when smoking. As a Girl Scout volunteer you may, at no time, leave the girls without the correct Girl Scout ratios for the purpose of smoking.

## **Contagious Conditions**

For the health and welfare of all girls participating in an activity, girls with contagious conditions (i.e., lice, chickenpox, measles, and mumps) will not be allowed to participate until they are no longer contagious, as determined by a health care professional.

When a leader or designated council staff member suspects or identifies any signs or symptoms of a contagious condition, they shall contact the parent/guardian concerning their findings. If there is any chance the Girl Scout may have a contagious condition, she will not be allowed to interact with other girls until she is no longer contagious, as determined by a health care professional.

## **Information Technology and Individual Privacy**

GSSGC encourages the use of electronic communications for legitimate and authorized Girl Scout program purposes. An electronic communication is defined as any communication that is broadcasted, created, sent, forwarded, replied to, transmitted, stored, held, copied, downloaded, displayed, viewed, read, or printed by any electronic communications service, including email and telephone. Contents of all electronic communications shall conform to law and policies set forth by GSUSA and GSSGC regarding protection of intellectual property, copyright, patents, and trademarks. The Girl Scout brand and all Girl Scout trademarks and copyrights are the sole property of GSUSA and their use must be preapproved in writing by the appropriate GSSGC staff.

Additionally, the misuse of GSSGC's electronic communications in any of the following manners is prohibited and may lead to, at a minimum, ineligibility to volunteer for GSSGC and/or criminal charges:

- for any purpose restricted or prohibited by law, regulation, or GSSGC policies
- accessing and displaying any type of sexually explicit images or documents
- for personal purposes, including monetary gain, or for commercial purposes that are not directly related to GSSGC business or otherwise authorized by appropriate GSSGC authority
- capturing, opening, intercepting or obtaining access to electronic communications, except as otherwise permitted by the appropriate GSSGC authority
- to harass or intimidate others or to interfere with the ability of others to conduct GSSGC business
- representing, giving opinions, or otherwise making statements on behalf of GSSGC unless authorized to do so
- employing a false identity (the name or electronic identification of another), directly or by implication
- forging e-mail headers or content (i.e., constructing an email so it appears to be from someone else)
- obtaining unauthorized access to electronic communications, members' personal information, or breach of any security measure

- performing unauthorized distribution of any members' personal information
- interfering with the availability of electronic communications resources, including but not limited to:
  - sending or forwarding e-mail chain letters or their equivalents in other electronic communications services
  - "spamming," i.e., sending electronic junk mail or junk newsgroup postings
  - "letter-bombing," i.e., sending an extremely large message or sending multiple messages to one or more recipients to interfere with the recipient's use of electronic communications resources
  - participating in denial of service attacks or any disruption of GSSGC websites or the GSSGC wide-area network

## Media Guidelines

Media guidelines are necessary for any organization to ensure the right message gets to the right audience at the right time. Guidelines help organizations build strong contacts with media representatives and the community. Girl Scouts of San Geronimo Council has a marketing & external relations department that is responsible for developing and maintaining media relationships.

**The need to talk with the media should be carefully evaluated and discussed with the marketing and external relations department before giving information and/or interviews.**

**AT NO TIME ARE INDIVIDUALS TO CONTACT THE MEDIA. All inquiries, ideas, contacts, requests, etc., must be forwarded to the marketing and external relations department.**

## *Interviews and Media Comments*

There are times when the media will "just show up" at a local event or at a program. During these cases, you are expected to escort the media. Please follow these steps below:

1. Immediately call the council media team in the marketing and external relations department.
  - a. Contact information is listed above.
  - b. After hours follow the prompts for an emergency to speak to the on-call staff member.
  - c. You may ask any office to contact the marketing and external relations department.
2. If at a school site, contact the school administration representative.
3. Verify that the person is a reporter/photographer/etc. Ask for identification such as a business card.
4. Write down the person's information: Name, phone number, and e-mail.
5. Write down the name of the publication or media outlet.
6. Identify yourself to the reporter, stating that you are with Girl Scouts of San Geronimo Council and your troop number and region.
7. Remember that everything you say may be printed. Answer questions positively. Never make up an answer or try to answer a question that is best answered by someone else. **NEVER**

**PROVIDE PERSONAL INFORMATION ABOUT THE GIRLS WE SERVE. DO NOT GIVE GIRLS' NAMES OR AGES.**

8. As soon as possible after the event/program (within 24 hours), notify the marketing and external relations team via e-mail about what happened. Please be detailed - what was asked, what you said, did they take photos, who did they talk to, etc.

Do not ever say, "I'm not allowed to talk to the media." Instead try the following talking points:

*"Hello, my name is \_\_\_\_\_. I am the troop leader of troop \_\_\_\_\_ for Girl Scouts of San Geronimo Council."*

*"I'd be happy to help you as best as I can." Please direct them to a council staff member*

OR

*"I can help point you in the right direction in order to get your questions accurately answered."*

Please be as helpful as possible. If you do not know the answer or get stuck, refer the reporter to the marketing and external relations department. Simply state:

*"That question is best answered by our marketing and external relations department. I'd be happy to pass along your information to them. You may also contact them directly. Here are their business cards."*

OR

*"I'd be happy to connect you with someone who can better answer that question."*

OR

*"I'd be happy to get that information for you."*

## **Photos**

**When the media takes the photo** - The media is a public entity and may take photos of anyone in a public venue without our permission. If you are at a school site, please refer the reporter to the administration. If you are at another venue, due to the diversity of our membership base, please quickly let the participants know that photos are being taken. You may use the following talking point if needed:

*"Hello everyone, \_\_\_\_\_ with the local newspaper is here to write a story about the great things you are doing in the community/here today. \_\_\_\_\_ will be taking some photographs as well. Please see me if you would prefer not to be interviewed or photographed."*

**When the council or service area takes the photo** - A signed *Photo Consent Form* MUST be signed when the council or service area is taking photos for publicity purposes. Consent forms can be found online at [www.gssgc.org](http://www.gssgc.org) in the forms section.

All completed release forms should be sent to the marketing and external relations department along with any photos. Please be sure to identify all the girls and/or adults who appear in the photos.

## **Messaging Guidelines**

To ensure GSSGC's position in the community, it is critical that the appearance and exposure of the Girl Scout brand be consistent. All members of GSSGC must speak with one voice and with one message in all areas - from the High Desert to the Low Desert, from Southwest Riverside County to Needles and Blythe.

*Consistent messaging is important because it:*

- builds trust among the community and within the GSSGC membership.
- demonstrates a level of professionalism.
- dispels myths and rumors about Girl Scouting in the community.
- unites the Girl Scout Movement under a common goal.

The key to effective marketing is providing accurate, consistent messaging to the media and to the community. Talking points are distributed on a regular basis on various topics including Girl Scout Pathways, our new marketing pieces, and for council-wide projects and campaigns such as the annual cookie program. These talking points will be provided to you through your local service center. It is your responsibility to review and understand the information.

In addition to verbal messages, written messages are just as important to the communication plan. To keep our messaging consistent, here are a few words that are sometimes used incorrectly in letters and e-mail:

### *Do*

Girl Scouts of San Gorgonio Council  
Council\*  
Girl Scout or Girl Scouts

Girl Scout Leadership Experience

\*According to GSUSA's style guide when referring to Girl Scouts of San Gorgonio Council as the "Council;" the "C" in council should be capitalized. When referring to all of the councils across the county, then lowercase.

## **Additional Materials**

Several additional materials are available as reference materials including a *GSSGC Fact Sheet*, *Photo Release Form* and copies of recent talking points. Please contact the director of marketing, external relations and diversity for materials and more information.

# Guidelines for Using Social Media

For Girl Scouts of San Gorgonio, the power of social media both helps and hinders the ability to do good work, whether it's Facebook, Twitter, or some other form. We see both sides of Facebook and other social media sites dozens of times each day especially during the cookie season. The purpose of this information is to offer guidelines that will help all use the power of social media to accomplish GSSGC's goals. With the advent of Facebook pages in the regions and areas, as well as thousands of personal Facebook pages, it becomes absolutely necessary to follow some rules. Failure to follow these rules will result in a demand by GSSGC to either take down the offending site or remove all references to Girl Scouts and GSSGC.

When using social media, it will be helpful to keep in mind the purpose of this tool. Over 50 years ago, General of the Army Douglas MacArthur delivered what is now known as his *Farewell Speech to the Corps of Cadets at West Point*. The general concluded his remarks by saying that his last conscious thoughts before he died would be "of the Corps, and the Corps, and the Corps." When logging onto social media, the first conscious thoughts must be of the Girls, and the Girls, and the Girls.

Now for the guidelines, no one can dictate how you use your personal social media, but these guidelines are rules and policies and must be followed if the Girl Scout or GSSGC names and logos are used. They govern the Girl Scouts of San Gorgonio Facebook page, which is the ONLY social media site where you will find answers you can depend on 100% regarding Girl Scout programs (including fall product and cookies), membership recruitment, volunteerism, GSSGC changes, and Council events.

- **Use Appropriate Sites**

- **Not Allowed:** *You MAY NOT post to any public pages (i.e., Temecula Talk, VV News, SoCal fb, Buy Sell Trade, etc....) AT ALL as an avenue of selling your cookies/fall product. You may respond within the posts if someone seeks product but you MAY NOT post personal information*
- **Acceptable media sites include:** personal family pages, family and personal twitter, or family and personal instagrams

- **Remember Your Audience**

Social media posts have come back to haunt people—sometimes years later. You may know who's "friended" you on your own Facebook page, but you cannot know everyone who might see your post on another person's Facebook page.

- **Be Positive**

Remember the Girl Scout Promise and Law before posting. And consider this: If you think you should post anonymously, you should not post at all. It's sometimes hard to resist using social media to criticize things you don't like or, sadly, to tear down people with whom you don't agree.

- **Tell the Truth**

Ask yourself if you're telling the whole truth or leaving information out to bend the truth to be what you want it to be. Are you relating facts of which you have personal knowledge or passing along rumors and stories that might not be true?

- **Have a Purpose**

Before posting a comment, have a goal in mind. You may be asking a question, sharing

information that you have learned or trying to drum up interest in a project or issue that's dear to your heart. Ask yourself, does this post move you toward your goal?

- **Add Value**

Say something helpful, witty or informative. Use social media to move ideas forward, encourage girls and your Girl Scout colleagues, and offer positive suggestions.

- **Speak for Yourself**

When you are sharing your personal opinion, use the first person—that is “I” and not “we”. When offering advice or information regarding Girl Scouts, be clear that you are sharing your personal experience and knowledge of Girl Scouts, and that you are not speaking for Girl Scouts or GSSGC.

- **Play Nice**

Remember that you are a Girl Scout and live by the Girl Scout Promise and Law. Social media is no more the place for mean, disrespectful comments than any other social gathering place. Don't call other people names, make unfounded accusations, resort to foul language, or use racial or ethnic slurs. Girl Scouts strictly prohibits all forms of unlawful harassment (including sexual harassment and sexual violence), discrimination or retaliation in any form. Creating a disturbance on GSSGC media and virtual sites, at sponsored activities or in areas which could jeopardize the safety of others is considered unsatisfactory performance and conduct of the volunteer/parent. Profane language or derogatory remarks against any individual or group used in any of the context posted on social media will not be tolerated and could result in automatic dismissal.

- **Give Attribution and Respect Copyrights**

Don't use other people's material without permission. If using, give the originator credit for the idea or material. Furnishing links to articles or material on websites is acceptable, if those websites acknowledge the source or author of the material. Never use other people's material or ideas as if they were your own.

- **If it's Confidential, Keep It That Way!**

Social media is no place to share your personal business or the personal business of others. Once something is out there, it can spread like wildfire. Although you only meant to share with your friends, you cannot control who they share your comments with. So if someone has told you that something is confidential keep it that way and keep it out of your conversations on social media.

- **Be Social**

The name “social media” comes from the idea that online conversations are taking place, much like they might in your living room or over coffee after church. It's not a one-way conversation; it's give and take, back and forth. If you blog and people comment on your blog, respond nicely to their comments. Acknowledge them and the value of their points of view, just as they acknowledge and value yours.

- **Use Common Sense**

Think of social media as a giant billboard. What you post can be seen by anyone—your boss, your co-workers, your sister Girl Scouts, your mom. A poorly chosen comment could damage your council and wreak havoc on your life.

- **Your Daughter Is Watching**  
Imagine that your daughter (or someone else’s daughter) is reading what you post. Let your conscious thoughts always be of the girls, and the girls, and the girls.
- **Enjoy the Interaction**  
Have fun using social media. Where else can you connect with old friends and make new ones in a split second? Where else can you learn new things and then immediately share that knowledge with others? Where else can you get help with a thorny problem and benefit from the experiences of hundreds of other people? Where else can you celebrate your triumphs, share your disappointments, and be reassured that many other people think and feel the way you do about Girl Scouts and serving the girls?

## Financial Management

*“All money raised, or earned, and other assets received in the name and for the benefit of Girl Scouting must be authorized by a Girl Scout Council or Girl Scouts of the United States of America and used for the purposes of Girl Scouting. Such funds and other assets become the property and are administered by the Girl Scout Council or Girl Scouts of the U.S.A. Such assets are not the property of individuals, geographic units, or communities within a Girl Scout Council.” (Blue Book of Basic Documents)*

It is the responsibility of the Board of Directors of the Girl Scouts of San Gorgonio to ensure that the above national policy is followed within our jurisdiction. It is also the responsibility of the board to ensure that GSSGC uphold its responsibility to its donors and to the community as a tax-exempt 501(c)(3) organization. The following policies and procedures provide the structure with which to do this.

### ***Fundraising, Money Earning Activities, and Solicitation Definitions***

**Fundraising** – the act or process of raising funds, as for nonprofit organizations. Fundraising is an adult ONLY action.

**Money Earning Activities** – Activities for the purpose of earning money to accomplish a financial goal for a troop/group activity.

**Solicitation** – The action of asking for financial or in-kind donations.

### ***Fund Ownership***

By law, **all troop funds are the property** of the Girl Scouts San Gorgonio.

### ***Financial Accountability***

Those assuming stewardship of any Girl Scout funds within the jurisdiction of the Council are accountable to the Council in all financial matters. The Council authorizes the troop to open accounts and hold funds in a designated institution in accordance with Council policy. The Council may have reason to require access to Troop/accounts in order to fulfill its fiduciary responsibility or to administer

policies. Any misappropriation, mishandling, and/or any problems that occur regarding Girl Scout funds must be reported immediately to the appropriate supervising Council staff member

## ***Volunteer Appointment and Responsibilities***

Duly appointed volunteers authorized by the Council to establish a bank account are ultimately responsible for proper recordkeeping, management of the account or accounts, reporting of all funds in the accounts, and submission of timely reports required by GSSGC. Failure to follow all procedures or properly manage funds will result in the volunteer's release from all volunteer positions and other legal actions up to and including criminal prosecution.

## ***Bank Accounts***

### **Troop/Group/Day Camp/Service Unit**

Each subordinate unit of GSSGC (troops, groups, day camp, etc) must open a business checking account into and out of which all funds flow. This account must only be used to support the Girl Scout program. Subordinate unit funds deposited into the personal accounts of volunteers is regarded as fraud and prosecution will be pursued to the full extent of the law.

Each subordinate unit account must be in the name of Girl Scouts of San Gorgonio, with the mailing address of the council regional office or regional post office box. The GSSGC federal identification (EIN xxxx) number must be used on each account and it must be titled in this format "Girl Scouts of San Gorgonio, Troop # XXXXX"

### **Policy Detail**

Each subordinate unit will open a business checking bank account in accordance with the procedures below.

1. All troops/groups are required to establish a bank account if, at any time, troop/group funds are expected to exceed \$50.00.
2. Troop bank accounts and the funds therein are the property of Girl Scouts of San Gorgonio. Girl Scouts of San Gorgonio reserves the right to randomly audit troop accounts with or without prior consent of the signatories.
3. Money earned during a program-year should be spent during that year. It is appropriate to have a \$350-\$500 account balance to begin the next year. Special circumstances requiring larger carry-over balances must be disclosed and described on the annual finance report. In certain cases, troops with a multi-year plan to save for high-cost travel events may carry-over larger balance from one year to the next.
4. Any funds donated to a Girl Scout unit must be handled according to Policy 2.8, service unit/troop/group Gift Acceptance, in this document.
5. Service unit event expenses must never be processed through a troop/group account. troops/groups hosting a service unit event or regional event should process all event related monies through the regional restricted account.
6. Checks are never to be signed without a payee written on the face of the check.
7. The troop/group may obtain no more than two debit/check cards to be used for deposits and payments without express permission of GSSGC. The card is for official Girl Scout business only. The debit/check card must not be used for personal purchases. The cardholder is responsible for obtaining purchase receipts, securing the card, and is legally responsible for the transactions posted to the card. Debit/check card expenditures should be reconciled monthly to ensure accurate and timely annual reporting, and that there are no unauthorized

expenditures applied to the account. Inappropriate debit/check card usage will result in forfeiture of the debit/check card privilege.

8. Online banking is authorized on troop/group bank accounts to view account balances, download transaction history, and print copies of checks and statements when allowed by the bank. Because all signers are responsible for maintaining the account, the user ID and password for access to the account should be shared with all account signers. This will facilitate monitoring the account activity and balance and help prevent cardholder/signers from inadvertently overdrawing the account. Passwords should be changed whenever there is a change of signers on the account.
9. All bank accounts are to be set up to opt out of overdraft protection. This action will prevent the account from going negative by declining any attempt to make a transaction that would cause the account to have a negative balance.

### **Opening a Bank Account Procedures**

1. Determine the two volunteers approved by the Council who will be signers on the bank account.
2. Consider using one of the banks found on the *Preferred Banks* document. To receive a copy of this document, email [troopbanking@gssgc.org](mailto:troopbanking@gssgc.org). These banks provide free business checking accounts for Girl Scout troops and provide online view access. As well as, some banks may provide free starter checks or other benefits. Preferred banks are added as they agree to work with GSSGC. Email GSSGC at [troopbanking@gssgc.org](mailto:troopbanking@gssgc.org) if there is a problem with a specific branch.
3. Contact GSSGC at [troopbanking@gssgc.org](mailto:troopbanking@gssgc.org) and request an open/close Change letter
4. After the bank has received the letter from GSSGC authorizing the unit to open an account, visit the bank to fill out the signature cards. Banks generally require that you bring your social security number and driver's license to the bank. Assure that the mailing address on the account is the address of GSSGC.
5. ATM/debit cards are acceptable for troop/group use and may be issued only to the authorized signers on the account. Credit cards are not acceptable for troop/group use.

### **Changing Bank Accounts**

Change of banking accounts must be coordinated with the troop/group leaders and designated council staff. Changing bank accounts is discouraged during cookie sales.

## ***Stewardship of Funds***

### **Subordinate Units (Troop/Group)**

All subordinate unit funds must be deposited into the unit's checking account as received (i.e. there should be no cash on hand).

All subordinate units are required to complete and submit a troop financial report each program year to GSSGC. All itemized receipts of purchases, bank receipts/deposits, and monthly bank statements must be kept on file with the subordinate unit and may be requested at any time by any girl member, any parent of a girl member or by GSSGC for the life of the unit and for two years after the unit disbands. A request for a Change of signers letter or a disbandment form must also be completed when the leadership of the unit changes. Failure to complete this report will be grounds for disciplinary action up to and including release (termination) from all volunteer positions.

All funds must be deposited into the unit account and all itemized receipts of purchases, bank receipts/deposits, and monthly bank statements must be kept on file for a period of two years after disbandment.

Income and expenses must be documented as they occur in the unit's records. The Council reserves the right to audit, close, or place a hold on any GSSGC bank account if established procedures are not followed or if mismanagement is suspected.

Subordinate unit financial records should be open for inspection by any girl member, any parent of a girl member, or service team member within the unit or by GSSGC at any time.

## ***Disbanding of Troops or Termination of a Program***

When a troop/group disbands, the signers of the bank account must:

1. close the bank account and obtain a cashier's check for the remaining balance of funds.
2. complete and submit an up-to-date finance report and troop disband form.
3. submit forms and all property purchased with funds to GSSGC within one (1) month of the disbandment.

The funds from a disbanding troop/group shall be held in trust for a period of one (1) year from date of notification at GSSGC for the membership of the disbanded troop/group pending reorganization or placement of the girls in other troops/groups. The amount distributed to other troops/groups where girls are placed will be proportional, based on the number of registered girls in the disbanded troop. Any money remaining at the end of this time shall be designated for financial assistance. No money will be directly given to any individual member.

If a subordinate unit bank account has been dormant for one (1) year or more, Council staff will be authorized to close the account and request that the financial institution issue a check for the balance in the account made payable to Girl Scouts of San Gorgonio.

## ***Merging, Reorganizing, and Splitting of Troops***

Money does not belong to any individual girl. If a girl drops out of Girl Scouts, she does not get a proportionate share of troop funds. If a girl transfers from one troop to another, no troop money is transferred to the new troop. When a troop/group merges with another existing troop, all funds of the former troop will be transferred to the existing troop/group account. Troops that reorganize or split must first consult with the finance department. After this consultation, troop funds will be allocated based upon the decision of the girls. It is the recommendation of GSSGC that girls decide to allocate funds based upon the percentage of girls from the original troop. If an agreement cannot be reached it is at the discretion of the CEO or his/her designee to determine how funds will be allocated.

## ***Delinquent Funds***

Leaders of subordinate units with amounts due to GSSGC that are more than 30 days past due and other volunteers with amounts due to GSSGC for more than 30 days will not be allowed to serve in any volunteer position, nor will they be allowed to handle money, product, or merchandise for the Council until the amount owed is paid in full. Reappointment to a volunteer position is at the **discretion of the Council. The Council reserves the right to take appropriate measures including legal action if the funds owed are not** remitted to the Council office. Legal action

includes, but is not limited to, taking out a warrant to appear in small claims court or report to law enforcement.

### ***Misuse / Co-mingling of Funds***

Volunteers who misuse or co-mingle funds for which they are responsible may be released from all volunteer positions with GSSGC. Girl Scouts of San Gorgonio retains the right to file criminal and/or civil charges.

GSSGC volunteers who are check signers are personally responsible for all financial consequences of overdrafts that they initiate.

### ***Failure to Remit Funds***

GSSGC will make a good faith attempt to collect any money owed and reserves the right to use outside collection agencies. If restitution is not paid within 30 days, GSSGC may file criminal and/or civil charges. GSSGC reserves the right to restrict or terminate volunteer participation of any person who owes money to the Council.

Bad debt from a product sale will restrict future participation until paid in full.

### ***Troop/Group Funding***

Troops/groups may be financed in any of the following ways: Council-sponsored product sales, additional troop/group sponsored money earning projects (which must be preapproved by the Council), and, if necessary, through dues. Funding for troop/group activities is primarily the responsibility of the troop/group, the girls, and their families.

See supporting document:

- Money-Earning Application

**Girl Scout funds may not be used to the benefit of a private individual.** Benefits for girls from product sales or any other troop/group money earning project may not be based on a dollar for dollar calculation. In other words, the benefits to girls cannot be proportional to what they earned in the Council-sponsored product sales. Troop profits from the sale must be used to provide programs and benefits that are offered to each member of the troop. **Any violation of this policy risks the tax-exempt status of GSSGC** and the tax-deductibility of donations and is cause for disciplinary action up to and including termination.

### ***Partitioning Funds***

“Partitioning funds for any age level is not a council sanctioned practice. Per GSUSA guidance and the suggested national lexicon, troop proceeds are a troop/group activity and not earned by individual Girl Scouts.

This indicates that partitioning proceeds in the name of a specific girl is not a sanctioned practice.

Girls may not receive individual credit for the amount of funds or the portion of the troop account that resulted from their contribution, be it troop dues or their money earned or product sales program troop proceeds.

The IRS requires that 501(c)(3) organizations must not be organized or operated for the benefit of private interests.”

## ***Money Earning***

### **Council Sponsored Money Earning**

The selling of Girl Scout cookies or other Council-sponsored products is an integral program of the Girl Scout Leadership Experience focusing on financial literacy and entrepreneurship. Girls learn to set goals, budget, plan, market to others, work as a team, and many other skills necessary to a successful sale activity. Adults serve in a supporting role but should never assume sole responsibility for sales. Troop/group leaders are required to present the opportunity to participate in Council-sponsored product sale programs to the girls they lead, and make the information available to the parents/guardians of the girls.

Girl participation in any Council sponsored product sales programs are based upon the following:

- Voluntary participation
- Written permission of a parent or guardian
- Council guidelines
  - Girls should not be penalized for non-participation
  - Other policies regarding product sales will be distributed via the appropriate product sales handbook before the appropriate product sales program
- An understanding of, and ability to interpret to others, the Troop/group goals
- Correct business procedures
- Observance of local ordinances related to involvement of children in money-earning activities, as well as meeting health and safety laws
- Adherence to guidelines for personal protection
- Planned arrangements for safeguarding the money

### **Non-Council-Sponsored Group Money Earning**

Troops/groups may participate in approved money-earning activities in which the troop is the sole beneficiary of the profit after the girls have supported GSSGC through participation\* in both Council-sponsored product sale programs. All Girl Scout troops/groups and individuals must have permission from the Council to conduct any money-earning activity. Money-earning projects must occur only when there is a need for such funds to support program plans. The money-earning project must be appropriate for the age level. The income from troop/group money-earning activities never becomes the property of the individual members - girl or adult.

\*The definition of participation is determined before the start of each sale and communicated in the product sale manual.

Girl members may not participate in product demonstration parties, raffles, drawings, games of chance, the direct solicitation of cash, the sale or endorsement of commercial products, and/or “give-back type” fundraisers (such as in-restaurant fundraisers script) as these endorse other establishments/organizations. All money-earning activities must also comply with state and local laws regulating sales by minors, food handling, etc. and sales may not be transacted on the Internet (for example, through a site that has an electronic shopping cart), except as approved for council-sponsored product sales (see *Volunteer Essentials*).

Girl Scout groups or individuals **MAY NOT** conduct non-council-sponsored money-earning activities **during the weeks of cookie booth sales.**

### **Age Level Policy on Participation in Money-Earning Activities**

All troops/groups having money earning activities **MUST** also participate in both council sponsored product sales in every membership year.

- *Daisy Girl Scouts* may participate in council sponsored product sales and may not have any other money earning activities, except participating in recycling.
- *Brownie Girl Scouts* may, with written permission from council, have one money earning activity beyond the council sponsored product sales each membership year.
- *Junior Girl Scouts* may, with written permission from council, have two, money earning activities beyond the council sponsored product sales each membership year. If more are needed, designated council staff will approve on a case-by- case basis
- *Cadette, Senior, or Ambassador Girl Scouts* may, with written permission from council, have three money earning activities beyond the council sponsored product sales each membership year. If more are needed, designated council staff will approve on a case-by-case basis,

### **Girls planning Girl Scout Gold Award or Special Service Projects**

Girls planning Girl Scout Gold Award projects or special service projects that require funds need to develop proposals that must be approved by the Gold Award committee before money-earning activities approved via the *Money-Earning Activity* form are implemented.

Parental permission is required for girls to participate in all money earning activities.

### **Individually Registered Girls**

Girls who are individually registered may participate in GSSGC product sales programs. All money received from their participation in these product sales programs will be held in a fund by GSSGC. Girls may request funding from this account to apply to any GSSGC programming, for membership registration, and/or for use in the council shop. Individually registered girls may not participate in additional money-earning activities unless they are working on their Girl Scout Gold Award or participating in council-sponsored trips including GSUSA destinations and have permission from the appropriate staff via the *Money Earning Activity* form. All funds earned by individually registered girls belong to the Council not to any individual girl.

### **Solicitation for Girl Scouting**

Adult members in their Girl Scout capacities may not solicit financial contributions for purposes other than Girl Scouting. All Girl Scout groups and individuals must have permission from the fund development department before asking organizations, businesses, corporations, foundations, or individuals for financial or in-kind gifts. Soliciting executive offices of major corporations is not permitted. Girl members may not engage in any direct solicitation for money.

### **Raising Money for Other Organizations**

No Girl Scout member, in their Girl Scout capacity or in Girl Scout uniform, may raise or solicit money for any other organization or participate in walkathons, telethons, or similar activities that raise money for other organizations. Girl members may support other organizations through contributing a portion of their treasury or through service projects.

**Please remember:**

- **No outside money earning activities may occur during a council-sponsored product sales program.**
- **To participate in a money earning activity other than the council-sponsored product sales program a troop, group, or individual must complete the *Money-Earning Activity Request* form.**

## ***Gift Acceptance***

### **Council Gift Acceptance**

The Council has detailed *Stewardship Guidelines* for acceptance of gifts. Questions should be directed to the CEO or his/her designee. Designated “gift solicitors” may accept unrestricted cash gifts only on behalf of the Council. All other gifts must be referred to the chief executive officer or chair of the board of directors or his/her designee for approval before acceptance.

### **Service Unit/Troop/Group Gift Acceptance**

**A monetary gift of \$250 or above** specifically earmarked for a troop/group or service unit must be sent to and processed through the Council. A gift less than \$250 may be sent to GSSGC if the donor wishes that GSSGC issue an acknowledgement or requests documentation for a tax deduction. The funds must benefit the entire troop/group or service unit not a specific individual. Funds will be disbursed from GSSGC to the troop/group or service unit. The troop/group or service unit is responsible for thanking the donor. In some cases, the Council will also send acknowledgement/thank the donor.

**A monetary gift of less than \$250** specifically earmarked for a troop/group or service unit may be sent directly to that Troop/Group or Service Unit. The funds must benefit the entire Troop/Group or Service Unit, not a specific individual. No notification to the Council is required unless donor requests documentation for tax purposes.

- The troop is responsible for thanking the donor.
- Documentation of tax deductibility of the donation cannot be provided by the troop/service unit.
- Documentation can only be provided if the gift is processed through the Council.

All monetary gifts are to be reported on the annual finance report to the Council.

Monetary gifts donated directly to troops/group or service units or given through the Council and restricted for troops/groups or service units are limited to a combined total of \$500 per year.

**If in-kind gifts** are solicited and received by a troop/group or service unit in support of fund raising events which benefit the Council (e.g. family partnership events), the Council must be notified that these gifts were received so that the Council can properly acknowledge, thank, and provide the appropriate tax documentation to the donor.

**If in-kind gifts** are solicited and received by a troop/group or service unit in support of troop/group or service unit activities (e.g. food for a camp out, Gold/Silver/Bronze projects, etc.) no notification of the Council is required.

- The troop is responsible for thanking the donor.
- Documentation of tax deductibility of the donation cannot be provided.

All significant in-kind gifts are to be reported on the annual finance report to the Council.

Troop leaders who apply for financial assistance on behalf of members of their troops must do so only with the permission of a girl's parent or guardian and must keep the financial circumstances of each girl's family confidential.

Girl Scouts of San Gorgonio Council, under the guidance of the board of directors, will ensure that the council's funds are managed in a fiscally responsible way by following these guidelines:

- Only registered Girl Scout members are permitted to participate in council-sponsored product sales. In the event that a girl participates in a sale who is not a registered member, rewards will be held by the council until registration can be verified, completed, or processed.
- Girls at all age levels are part of the decision-making process in determining troop/group dues, troop/group money-earning activities, troop/group budgeting activities, and uses of collective funds. The funds are for Girl Scout activities and are **NOT** to be retained or used by individuals as their property.

- All funds are the property of the Girl Scouts of San Geronimo Council and never become the property of an individual girl or adult.
- All money earning funds are troop funds and not individual girl monies.

## ***Troop/Group Finances***

As a girl-led organization GSSGC encourages the involvement of girls in managing troop funds. Depending on the age of the girls this may include voting on expenditures, determining the need/amount for troop dues, authorizing and recording troop expenditures and deposits, etc. Troop leadership should determine the level of participation that is appropriate for girls based on the concept of progression in Girl Scouts.

### **Troop Dues**

Troop dues should be determined based on planned budget and troop operational needs. Troops/groups should reassess the need for dues once participation in each product sale has been completed. Troops/groups may assess reasonable dues on average \$1-\$5 per meeting. . It is important to note no girl will be denied Girl Scouting for lack of ability to pay troop dues. It is encouraged that troop dues are paid by girls per meeting as there are leadership skills that are learned through this action.

Contact the membership department at [GSmembership@gssgc.org](mailto:GSmembership@gssgc.org) for recommendations on girls who cannot pay and possible financial assistance.

### **Troop/Group Finances – Use of Funds**

Girls should decide how to disburse funds acquired as a result of girl planning.

### **Juliette/ Independently Registered Girls Participating In The Product Sale**

Only troop/groups may earn troop proceeds no individual girl may earn proceeds. As such our individual girls may not have proceeds and/or credits held in their name. All Juliettes participating in the product sale with our pathway program must meet\* at least four times a year. During these meetings our Juliettes will be:

- Planning, budgeting, and voting on the use of funds, learning Girl Scout traditions and songs, as well as operating in a troop setting. Three meetings will be specific to programming and the Girl Scout Leadership Experience and the last meeting will be a campout planned by the girls in this girl-led pathway program.
- Pathway funds must be used within one year.
- Juliettes will need to fill out a yearly *Troop Financial Report* to indicate use of their funds, if there is any funding remaining - this indicates planning has occurred.
- Juliettes who sold previous to the 2015-2016 membership year will be grandfathered in based on previous guidelines until such time their Juliette Credits expire (at the latest June 1, 2019). The following policy applies to these grandfathered Juliette Credits:
  - All girls who leave Girl Scouts, whether from not registering or from graduating to adults, have no access to credits. Any non-reregistering girl must use their funds before the new Girl Scout year. All graduating Girl Scouts must use their credits before the new Girl Scout membership year or when they become adult members.

If a girl does not reregister by October 1 of the new Girl Scout year she will lose all access to the “troop Juliette funds.” There is no grace period. Re-registration is imperative.

\* If girls choose not to attend the meetings they may still participate in the product sale but will be bound by the decisions of the girls present.

### **Disbanded Troops**

Prior to disbandment the troop/group should vote and agree on disbursement of funds and/or property.

If a troop disbands without a plan (and if it is realistic to expect that the troop/group may reorganize) all of a troop/group's funds will be held in a council restricted account for one year.

After one year, disbanded troop/group funds may be redirected by the council to assist girls with financial needs (i.e., camperships, destinations, handbooks, uniforms, and event fees) or to provide start-up funds for newly registered troops requesting financial aid. All requests will be put in writing and be based on financial need. Disbursement of funds is at the discretion of the CEO or designated council staff.

### **Reorganized Troops**

If a troop/group reorganizes (as a whole) within the same year as they disband, they may request, in writing, from the Council to have all funds previously affiliated with the troop/group returned to the troop/group.

If individual troop members re-register in another troop, in that same year, a percentage of the troop funds will follow them into the new troop.

No troop/group reorganization and/or troop/group disbanding will be allowed during product sales programming periods. If there are no other avenues other than a separation during a council sale the troops sale must come to a close, product paid for in full, and then the separating can begin, not before.

If a troop/group splits or separates into multiple troops/groups, the CEO or designated council staff retains the right to mediate an equitable division of assets.

### ***Occurrence of Theft of Troop Funds***

Should the theft of troop funds occur, a police report must be filed within 24 hours. If theft or embezzlement is suspected, then the council representative must be notified within a reasonable amount of time and all pertinent information pertaining to the alleged crime must be turned over to the designated GSSGC representative immediately.

The finance department will immediately take control of the finances of the troop and perform an extensive audit. Once the audit is performed, if evidence of theft or embezzlement is found, a police report will immediately be initiated by the finance department GSSGC will comply with the requests of all law enforcement officers and the district attorney's office to prosecute the individual to the best of our ability on behalf of the girls. The volunteer in question will be immediately suspended from his/her position until the resolution of the situation. If criminal charges are filed, the volunteer will be immediately released from his/her position working with the girls and/or the property of GSSGC.

## ***Reestablishing an Account After a Crime.***

Should a crime be committed involving the funds of any troop or group, the account in question will immediately be administered by GSSGC. A new troop/group account will be opened immediately if leadership is available. Start up funds will be determined by the CEO and will be determined on a case-by-case basis. As the funds of any troop are meant for the girls to further their Girl Scout experience, at the discretion of the CEO, girls will be provided with credits for opportunities to participate in Girl Scout programming through in-kind means. Meaning, girls will be allowed to attend programming opportunities through council, representing an amount determined by the CEO. This amount will be determined on a case-by-case basis.

## ***Annual Financial Reports***

All financial records belonging to a troop/group must be readily available at any time to any troop member or council representative requesting inspection. All troops/groups that handle money are required to file an annual financial report. A *Troop Financial Report* form must be completed and submitted to the designated council staff:

- By June 15<sup>th</sup> of each year.
- Within 30 days of change of leadership within a troop/group, including disbandment of troop.
- At any time as deemed necessary by designated council staff.

It is the responsibility of the troop/group leader to submit the troop/group financial report. Failure to submit the financial report may result in a troop/group's inability to participate in product sales and disciplinary action up to and including removal of the troop/group leader.

## ***Regional Funds***

### **Regional Credit Cards**

Girl Scouts of San Gorgonio Council, under the guidance of the board of directors, will ensure that the council's funds are managed in a fiscally responsible way. Regional credit cards will be issued at the discretion of the CEO or his/her designee, only. Volunteers designated to use a regional credit card must agree to the terms set forth in the credit card agreement for Volunteers. Volunteers may not contact the issuing financial institution at any time, for any reason but must bring issues, concerns, or questions to the council's finance department for help and clarification.

### **Regional Imprest Account**

Regional imprest accounts are maintained by the Girl Scouts of San Gorgonio Council for each region. The self-checking accounts are maintained at a fixed balance of \$1000 by regular replenishments. The accounts may be used by the region for paying small routine operating expenses or to pay items approved through the purchase order system. Volunteers designated to use the imprest account must agree to the terms set forth in the *Imprest Account Agreement for Volunteers*. Volunteers may not contact the issuing financial institution at any time for any reason but must bring issues, concerns, or questions to the council's finance department for help and clarification.

## **Troop/Group Overnight Experience**

Troop/group overnight experiences are defined as an experience of 24 or more consecutive hours **NOT** exceeding two nights planned and carried out by Girl Scouts and their troop/group leaders.

At least one registered adult accompanying the troop/group on the trip **MUST** have completed the council's *Basic Outdoor Training* course at least sixty (60) days prior to the overnight experience.

Troop/group leaders need to have girls participate in troop/group progression for a minimum of one (1) month prior to this overnight experience and should consider the experience and interest of the girls before taking the troop/group on any overnight experience.

Progression is defined as an adult trained in *Basic Outdoor Training* working with girls to progress from an introduction to time away from a parent/guardian to a point where they can comfortably be away from a parent/guardian overnight. This process should take a minimum of 30 days and be accomplished in a minimum of four (4) separate meetings.

At least one adult, who is currently certified in first aid/CPR (or equivalent), **MUST** accompany the troop/group participating in an overnight experience. The *first aid/CPR* provider **MUST** have current certifications in both areas.

For council owned and/or operated properties, an *Activity Approval Form* **and** *Site Reservation* forms **MUST** be submitted at least thirty (30) days prior to an event or trip. Failure to do so may result in the trip being denied.

Cancellation of council owned and/or operated site reservations must be made in writing at least thirty (30) days in advance in order to be considered for a refund.

For any overnight experience at locations other than council owned and/or operated properties, an *Activity Approval Form* **MUST** be submitted at least thirty (30) days prior to the date of the overnight experience. Failure to do so may result in the trip being denied.

When choosing a non-council owned location, it is preferred that a nationally known or accredited facility is used. This would include American Camp Association (ACA) accredited camps, KOA campgrounds, Forest Service campgrounds, AAA approved hotels, etc. If not using one of these types of facilities, ensure proper safety procedures and liability insurance is in place. See Safety Activity Checkpoints for guidance on choosing.

A current copy of the adult's first aid/CPR certification(s) **MUST** be submitted with the *Activity Approval Form*.

Proper adult supervision and guidance for each activity are essential. (See the *Volunteer Essentials (AKA BLT)* and *Safety Activity Checkpoints* for recommended ratios of adults to girls). Men may serve as the *Basic Outdoor* trained adult volunteers or in any other position as long as a non-related female is also present.

During overnights, males should camp with their Girl Scout groups/troops whenever possible; however, they are required to sleep in areas separate from girls and to have separate bathroom facilities. In single toilet restrooms all participants may use the same facility as long as there is only one person inside at a time and there is a way to lock the door.

Male sleeping areas, tents, or structures should never have girls inside. Whether sleeping in tents or structures, the **male sleeping area must be clearly delineated** to ensure girls will not accidentally go to the men's area/tent at night.

In some situations, men may need to set up their own tent outside or away from the girls and use a restroom facility outside of the unit. There is no specific distance designated as long as the girls will not accidentally put themselves or their male chaperones in uncomfortable situations.

At the discretion of the other responsible adult volunteers, a male may share a tent with a female he is related to by blood or marriage.

Please remember: It is the responsibility of the *Basic Outdoor* trained adult(s) to provide adequate training and preparation for the girls and adults prior to participation in any overnight experience. The training should be conducted in a progressive manner and consist of a minimum of four trainings over a period of no less than 30 days.

## Activity Approval

Council approval is required prior to all activities that are rated as high risk. For these activities an *Activity Approval* form must be completed. The activities requiring approval are found in the *Safety Activity Checkpoints Matrix* included in the *Activity Approval Process*.

- This form must be submitted at least thirty (30) days prior to the activity or overnight.
- Approval of activity or overnight by the designated council staff member is required before any financial deposits are made.
- The *Activity Approval* form is required as part of the Extended Trip Travel Process for approval of activities during trip and collection of final itinerary. See ETT section below for timeline.

## Travel / Trips

Travel is defined as any travel to or from any place other than a regular meeting site.

When planning activities that include travel, the age, ability, and experience of the girls should be considered. For travel purposes girls are considered their current level until the new school year regardless of when they bridge to a new level.

Not all travel/overnight activities are permitted for every level. Please follow GSUSA Safety Activity Checkpoints when choosing activities and determining supervision ratios.

### ***Travel Progression***

See GSUSA Safety Activity Checkpoints for information on appropriate travel progression based on age and travel experience of girls in troop/group.

### ***Extended Trips***

Extended trips are intended to be girl-planned, girl-led, and girl-learning experiences. They are not intended as family experiences. Any adult acting as a chaperone on an extended trip must be a registered, background cleared, and trained Girl Scout volunteer.

If chaperone expenses will be paid for by troop/group funds, then only the number meeting *Girl Scout* ratios may be paid for with troop funds.

Permission to use troop funds to pay for adult expenses must be granted by 100% of the girls attending the trip.

Extended trips are trips involving more than two (2) nights and/or more than 700 miles round-trip or any place outside the continental United States. Extended trips are limited to Bridging Juniors, Cadette, Senior and Ambassador Girl Scouts. See Safety Activity Checkpoints for progression guidelines.

### **Insurance for Extended Trips**

Troops or groups on trips for more than two (2) nights are **NOT** covered by the basic Girl Scout insurance plan. Additional insurance for each participant **MUST** be purchased through Mutual of Omaha's optional Girl Scout plan, obtained through the council.

### **Covid-19 Guidance\***

#### **Guidance for International Travel & Use of Girl Scout Funds during Covid-19 Pandemic**

- If it is a school or other youth group trip, Girl Scout funds can be used to travel if allowed by the banked dough policies, rules, and procedures
- If it is a Girl Scout trip (individual girl, troop, group, etc.), GSSGC staff adhere to the following criteria when approving international travel. If a country is at:
  - State Department Travel Advisory State Department Travel Advisory Level 4 and it is due to something other than Covid-19:
    - Do not approve: Do not travel
  - State Department Travel Advisory Level 4 is due to Covid-19 restrictions and there is another restriction that would put them at State Department Travel Advisory Level 3:
    - Do not approve yet: Have troop prepare a request for exception by the CEO or her designee
    - May be approved tentatively if country reaches State Department Travel Advisory Level 3 for both Covid-19 and concern
  - State Department Travel Advisory Level 3 **or** State Department Travel Advisory Level 4 and it is due to Covid-19 restrictions only; otherwise the country would be at State Department Travel Advisory Level 1 or State Department Travel Advisory Level 2:
    - Tentatively approve travel pending submission of additional required paperwork and that the country reaches at least a State Department Travel Advisory Level 3 related to Covid-19 and remains at Level 1 or 2 for travel concerns not related to Covid-19.

#### **Guidance if a Girl (or adult) becomes Symptomatic on trip (This is for both domestic and international travel)**

Troops must consider how they will handle if a girl (or adult) becomes symptomatic on a trip the troop is taking; including how they will cover the expenses incurred if a girl (or adult) needs to quarantine as opposed to traveling home (or travel home in a different way). Consider the following or a similar process for all travel; if an ETT is required, your plan must be on file with council prior to travel. Provide your plan in writing (or recorded) to your parents.

- On trips all girls and parents sign a travel waiver stating they are responsible for expense to quarantine if necessary.

- Suggest travel insurance to parents (watch for exclusions)
- On trips, take 3-4 antigen tests. If a girl has symptoms correlated to Covid-19, have her take one of the tests.
  - Negative test -> travel home is allowed.
  - Positive test -> do not travel with girl. Girl must quarantine with an adult based on current CDC guidance. Make sure the adult has the funds to rebook travel and pay for the other expenses prior to leaving the girl and adult.
    - If parent is present, leave girl with parent.
    - If parent is not present or it is an adult, the most experienced traveler will escort the rest of the group to the airport and see them off and then stay with the girl in a hotel at the parent's expense.
      - If there are only two adults, everyone quarantines until another adult can come relieve the trained adult who is not sick so they can get the rest of the girls safely home.
  - Troop/Group bills parent upon return for the expenses incurred. Involve council as necessary; however, ensure you have your procedure in writing for council to be able to help.

\*All guidance and policies within GSSGC's Policies & Procedures are subject to change and amendment, as stated in the Conclusion on page 41.

### **Required Medical Examinations**

Each individual member of a troop/group participating in international travel **MUST** have a medical examination within twenty-four (24) months prior to departure.

### **Extended Trip Travel**

A completed *Extended Trip Travel (ETT) Form* and *Activity Approval Form* **MUST** be submitted to the designated council staff member for approval. Trip approval **MUST** be received before placing any deposits.

The *ETT Form* and *Activity Approval Form* must be completed using the following timelines:

1. Intent to Travel – Submit ASAP at the time troop decides to start planning and saving money for travel.
  - This is not for approval; this is to ensure GSSGC is able to best support troops traveling
2. *ETT Form* for approval of trips within the continental United States of three or more nights and/or exceeding 700 miles round trip **at least two (2) months in advance**
3. *ETT Form* for approval of trips outside the continental United States **at least four (4) months in advance.**
4. *ETT Form* to submit updates once troop knows they are making changes to dates, travel location, or budget **as soon as possible as needed.**
5. *Activity Approval Form* for council approval of activities during trip requiring it should be submitted **at least thirty (30) days in advance or sooner before deposits are made for activity.**
6. Activity Approval to submit final itinerary **at least 1 month in advance**

### **Required Training for Travel/Trips**

Any troop traveling on an extended trip **MUST** have at least two registered, background cleared adults take GSSGC approved travel training and conduct the planning with the troop/group at least six months\* prior to the trip travel activity. If, at any time prior to the trip, either adult drops from the trip, an alternate adult meeting the above criteria **MUST** attend ETT Training prior to leaving on the trip.

\*It is suggested that you take this training when your troop starts thinking about traveling longer or further than a local weekend experience.

## Transportation

All adults transporting girls in non-commercial vehicles **MUST** be registered members of GSUSA and background screened by GSSGC.
