Directions for Mason Jar:

1. First, I'd recommend washing out your mason jar with soap and water. Just make sure to dry the inside really well, or the ingredients will stick to the edges.
2. Next, combine ¾ cup flour, ¼ teaspoon baking soda and ¼ teaspoon salt in a mixing bowl and set aside.
3. Pour flour/baking soda/salt mixture into your pint size glass jar. Gently pat the bottom of the jar with your hand to make sure the flour mixture is level.
4. Add ½ cup chocolate chips to the jar on top of the flour mixture.
5. Then add ¼ cup packed brown sugar as the next layer.
6. Finally, measure out 1/3 cup granulated sugar and add to the top.
