

Program-in-a-Box Kit Descriptions

Boxes include all the materials and instructions to do the activities. Assistance is a phone call or email away. Please note for the badge program level to choose the right badge program for your girls. Badge boxes do not include the Badge. Cost is per box; price listed is for supplies and materials. There is also an option for either an electronic version of the kit/material list (no supplies) or \$10 to have a hard copy mailed to you. Most of the kits will need help for younger girls.

Kits available; see next patches for descriptions

Descriptions

[Girl Scout Activity: Self Care - Reset & Relax](#)

Cost: \$40

Learn to hit the reset button. Use this kit to practice relaxation techniques. Use your new journal, the relaxation jar and bath salts/bath fizzies you make from this kit to help you relax in this constantly moving world. *Kit includes materials to make bath salts/fizzy, relaxation jar, journal, colored pens, journal stencils, decorations, and containers.*
Recommended for 6-12th grade girls

[Girl Scout Activity - Buttons' Candy Factory](#)

Cost: \$15

Build your own Candy Factory and make your own candy to sell to family and friends. There is a variety of different kinds of candy to make and experiments to do. Some may require adult help. *Kit includes recipe book, candy thermometer, 2 candy molds (one is Girl Scout).* For all girls; elementary girls will need adult support for most recipes.

Girl Scout Craft - Tie Dye in a box

Cost: \$40

Just add water! A few new techniques that don't use dye at all and more. Who knew tie dyeing could be this easy? No need to presoak fabrics in soda ash before dyeing. Perfect for solo project or family fun. *Kits include all the supplies to make several different projects including instructions, inspiration, on demand videos, dye, bandanas, and a sleep shirt (adult xl shirt). For all girls; may need adult assistance.*

Badge - Daisy Good Neighbor

Cost: \$10

Find out how you can help your communities by being a good neighbor. When you've earned this badge, you'll know more about the communities you belong to—and how the people in your communities work together to be good neighbors to each other. *Kit include materials to earn the badge including materials to make your own town and discover what it means to be a good neighbor.*

Badge - Daisy Space Science Explorer

Cost: \$15

Explore and observe the sky like a real space scientist. When you've earned this badge, you'll have explored and observed the Sun, Moon, and stars. *Kits includes all materials to complete the badge including for edible moons, play telescopes, shadow drawings and more.*

Badge - Brownie Space Science Adventurer

Cost: \$15

Investigate the complexities of the sky as you learn to see things in a new way. When you've earned this badge, you'll know how to investigate the Sun, Moon, planets, and stars. *Kit include the materials to earn the badge including the supplies to make a pocket solar system, an edible moon discovery, colored pencils, paints with paintbrushes, and more.*

Badge - Brownie Painting

Cost: \$50

Learn to paint and color your world. When you've earned this badge, you'll have new ideas about what to paint—and how to paint it. *Kit includes materials to earn the badge including instructions, watercolor paint, acrylic paint, paintbrushes, paint paper, shaving cream, glue, yarn, and more.*

Badge - Junior Space Science Investigator

Cost: \$50

Venture through the Solar System and beyond, and see that space is even bigger than you may have imagined. When you've earned this badge, you'll understand that the Earth orbits the Sun, and how far away the Sun, Moon, planets, and stars are from our home planet, Earth. *Kit includes the instructions to earn the badge and most supplies needed including those to build 3-D model of a constellation, paints, paintbrushes, and the all the equipment to make a cardboard Mars Rover. (Supplies not included are in most homes).*

Badge - Junior Drawing

Cost: \$50

Learn techniques to make your drawings even better. When you've earned this badge, you'll know some great drawing techniques. *Kits includes all materials to complete the badge including sketchbook, markers, colored pencils, pens, pastels, charcoals, and erasers.*

Badge - Cadette Space Science Researcher

Cost: \$15

Observe and explore light, deepening your understanding of the Sun, stars, and other objects in space. When you've earned this badge, you'll understand more about the amazing properties of light and how you use it to make discoveries about the Universe and space science. *Kit includes materials to complete the badge including glue, rule, flashlight, rubberbands, and more.*

Badge - Cadette Comic Artist

Cost: \$40

Find out more about the world of comic art and then tell your own visual story. When you've earned this badge, you'll know how to create your own comic. *Kit includes materials and instructions to complete the badge including sketchbook, markers, colored pencils, tracing paper, pens and more.*

Badge - Senior Space Science Expert

Cost: \$25

Explore light and discover what it teaches us about the Universe! When you've earned this badge, you'll understand more about the Universe—your place in it and how light is used to make discoveries about it. *Kit includes instructions and materials to complete the badge including flashlight, scrapbook, pens, decorative elements, and more.*

Badge – Ambassador Space Science Master (Build a telescope & discover the stars)

Cost: \$40

Explore, observe, design, and communicate your space science discoveries—just like scientists and engineers. When you've earned this badge, you'll understand more about space science and how you can be a part of NASA now and in the future. *Kits include the instructions and materials to complete the badge including colored pencils and a kit to make a working telescope.* This badge is written for Ambassador Girl Scouts and will help them earn the badge; younger girls will still enjoy the activities.

Badge - Ambassador Photography (learn to take pictures)

Cost: \$40

Hone your artistic skills and find out how to use different types of cameras to present the world through your eyes. When you've earned this badge, you'll know how to capture your vision of the world in photographs. *Kit includes materials and instructions to complete the badge including a low-cost camera to use to earn the badge.* This badge is written for Ambassador Girl Scouts and will help them earn the badge; younger girls will still enjoy the activities.

DIY Craft – Microwave Melt/Pour Soap Making

Cost: \$25

Washing hands is important! Use this kit to make your own cute duck soap and/or one with a hidden prize. *The box will include instructions, soap melts, molds, and small plastic toys.*

DIY Craft – Salt Dough Pendants

Cost: \$10

Get creative with this versatile modeling material. Make Salt Dough to use as pendants, ornaments, decorations, or to play with. *Kit includes recipe and ingredients to make salt dough. Also includes paint, ribbon, and tools to design and play.*

DIY Craft – Party Poppers

Cost: \$10

Make your own party! Celebrate the new year or any other time of year with these Party Poppers you can make yourself. *Kit includes recipe and ingredients to make party popper including confetti to put inside. Poppers are made from craft tubes, balloons, colored tape, paper and stickers to decorate. Recommended for under 8.*

DIY Craft – Terracotta Pot Candy Jars

Cost: \$40

Candy jar...cookie jar...goodie jar – oh my! Create this cute way to display your goodies for company. *Kit includes instructions and materials to make a terracotta pot candy jar that looks like a mini gumball machine!*

DIY Craft – Book Making

Cost: \$10

Put your work on display. Whether you are a drawer, painter writer or another type of artist. Or only want to learn a new skill this kit is for you. *Kit includes the materials to bind your own journal, sketchbook, or scrapbook or other type of book. Materials include paper, paper bag, chip board, scissors, needle and thread.*

DIY Craft – Fleece Pillow

Cost: \$30

(Likely to be received after Jan 1; will send certificate with images if desired)

Have fun making a Camp fleece pillow. No sewing required! *Kit includes outdoor themed material, pillow form, cloth scissors, and more.*

DIY Craft – Photo Holder

Cost: \$15

Display your photos in a style you create. This kit makes a Photo Holder using a rock and wire. *Kit includes rock, copper wire, needle nose pliers, acrylic paint, and supplies for a protective coat (keep the paint on the rock). Materials will make 3-4 items.*

DIY Craft – No Sew Gnomes

Cost: \$25

Create your own little woodland scene with these adorable gnomes at the center of it all. Use them as doorstops, bookends or just cute décor. Kit includes the supplies to make 2-3 and includes socks, material for beards, hair, and hats, rice (to fill), poly stuffing, nose, glue, and more.

DIY Craft – Mason Jar Mixes

Cost: \$30

Make fun layered jars for gifts or home use. Materials and ingredients are included to make 4 different mixes: Chicken Noodle Soup, Hot Chocolate, Melty Snow Man, and Chocolate Chip Cookies. *Kit includes mason jars, ingredients, and labels (for you to cut out).*
