## **Slow Songs**

### **Make New Friends**

Make new friends, but keep the old,  
One is silver and the other's gold

A circle is round, it has no end  
That's how long I want to be your friend

A fire burns bright, it warms the heart  
We've been friends from the very start

I have a hand, you have the other  
Put them together and we have each other

Over the ocean, over the seas  
Friends, forever we will always be

### **On My Honor**

Chorus:

On my honor, I will try  
There's a duty to be done and I say aye  
There's a reason here and a reason above  
My honor is to try and my duty is to love

People don't need to know my name  
If I've done any harm then I'm to blame  
If I help someone, then I help me

And I've opened my eyes to see

\* Chorus\*

I've tucked away a song or two  
If you're feeling low there's one for you  
If you need a friend, then I will come  
And there's many more where I come from

\*Chorus\*

Come with me where the fire burns bright  
We can see even better by a candle's light  
And we'll find more meaning in a campfire's glow  
Than we'd ever learn in a year or so

\*Chorus\*

We've made a promise always to keep  
And we'll pray Softly Falls before we sleep  
We'll be Girl Scouts together and when we're gone  
We'll still be trying and singing this song

\*Chorus\*

## **Magic**

\*Chorus: Magic is the sun that makes

A rainbow out of rain

And Magic keeps the dream alive

To try and try again

Magic is the love that stays

When good friends have to leave

I do believe in magic, I believe

When I was young

I thought stars

Were made for wishing on

And every hole deep in a tree

Would hide a leprechaun

Old houses all had secret rooms

If one could find the key

I do believe in magic, I believe

\*Chorus\*

Growing up

The grownups said

Some day I'd wake to find

That magic was a childhood dream

I'd have to leave behind

Like clothes that would no longer fit

Or toys that I'd ignore

I'd not believe in magic anymore

\*Chorus\*

When I grew up  
I realized  
That much to my surprise  
The magic did not fade away  
It took a new disguise  
A friend, a child, a song, a smile  
The courage to stand tall  
I do believe in magic after all

**\*Chorus\***

I do believe in magic  
I will always believe in magic  
Love is the greatest magic  
I believe

## **Linger**

Mmmmm I want to linger  
Mmmmm a little longer  
Mmmm a little longer here with you  
Mmmm its such a perfect night  
Mmmmm it doesn't seem quite right  
Mmmm that it should be my last with you  
Mmmm and come September  
Mmmm I will remember  
Mmmm our camping days and friendships too  
Mmmm as the years go by  
Mmmm I'll think of you and sigh

This is goodnight and not goodbye

## **On the Loose**

Have you ever seen the sunrise turn the sky completely red?

Have you slept beneath the moon and stars with a pine bough for your head?

Have you sat and talked with friends, though a word was never said?

Then you're like me and you've been on the loose.

*Chorus:*

On the loose to climb a mountain,

On the loose where I am free.

On the loose to live my life,

The way I think my life should be.

For I've only got a moment,

And a whole world yet to see,

And I'll be searching for tomorrow, on the loose.

There's a trail that I'll be hiking

Just to see where it might go.

Many places yet to visit,

Many people yet to know.

And in following my dreams,

I will live and I will grow,

On a trail that's out there waiting, on the loose.

*Chorus*

So in search of love and laughter,  
I'll be traveling through this land.

Never sure of where I'm going,  
For I haven't any plans.

But in time when you are ready,  
Come and join me, take my hand.

And together we'll find life,  
Out on the loose!

*Chorus*

## **Skyland Ranch Song**

A long hill, a steep hill that winds up to the sky  
And high o'er the pine trees, a bird is soaring by  
A farmhouse an orchard where wild deer love to roam  
A land in the sky, that we all can call our home  
Skyland, oh Skyland our hearts will always be  
With you in these mountains be-neath the tall green trees  
Skyland, oh Skyland our hearts will always be  
With you in these mountains be-neath the tall green trees

### **Bazooka Bubble Gum**

My mom gave me a penny, She said go buy a henny

But I didn't buy no henny, Instead I bought...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

My mom gave me a nickel, She said go buy a pickle

But I didn't buy no pickle, Instead I bought...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

My mom gave me a dime, She said go buy a lime

But I didn't buy no lime, Instead I bought...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

My mom gave me a quarter, She said go buy some water

But I didn't buy no water, Instead, I bought...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

My mom gave me a dollar, She said go buy a collar

But I didn't buy no collar, Instead I bought...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

My mom gave me a five, She said go stay alive

But I didn't stay alive, Instead, I choked on...

Bubblegum! Bazooka zooka bubblegum! Bazooka zooka bubblegum!

## **Bean Song**

My dog Lima likes to roam, One day Lima left his home

He came back all nice and clean, Where oh where had Lima been

Lima been, Lima been

Where oh where has Lima bean

Repeat subbing different bean names for the dog.

Coffee/Pinto/Espresso

## **Black Socks**

Black socks, they never get dirty

The longer you wear them, the blacker they get

Sometimes I think I should wash them but something keeps telling me

Don't do it yet, not yet, not yet, not yet, not yet

Long socks they never stay up

The longer you wear them, the shorter they get

Sometimes I think I should cut them but something keeps telling me

Don't do it yet, not yet, not yet, not yet, not yet

## **Donut Shop**

Well, I walked around the corner, and I walked around the block.

And I walked right into a donut shop.

And I picked up a donut right out of the grease

And I handed the lady a five-cent piece.

Well she looked at the nickel, And she looked at me

And she said this money isn't good you see

There's a hole in the middle and it goes right through

And I said there's a hole in the donut too

Thanks for the donut, So long!

## **Hippo Song**

What can make a hippopotamus smile?

What can make him run for more than a mile?

It's not a party with a paper hat

Or a bag of candy that will make him fat

That's not what hippos do

I said that's not what hippos do!

(Chorus)

They ooze through the gooze without any shoes

They wade through the water till their lips turn blue

That's what hippos do

I said that's what hippos do!

What can make a hippopotamus smile?

What can make him run for more than a mile?

It's not a tune on the old violin

Or listening to the sound of the whistling wind

That's not what hippos do

I said that's not what hippos do!

(Chorus)

## **Humpty Dumpty**

Eating his pudding pie

Eating her curds and whey

I'm a little acorn round, Lying on the cold hard ground

People come and step on me, That is why I'm cracked you see

Chorus: I'm a nut, I'm a nut, I'm CRAAAYYYYY-ZY

Called myself up on the phone, Just to see if I was home

Asked myself out on a date, Pick me up at a quarter past eight

Chorus: Well I don't know why I left  
But I know I've done wrong  
And it won't be long

Till I get on back home

Me and Superman got in a fight  
Hit him hard with kryptonite  
And I broke his brain  
Now I'm after Lois Lane

\*Chorus\*

Me and Batman fought too!  
Hit him hard with my left shoe  
And I broke his heel  
Now I'm driving the batmobile

\*Chorus\*

Spiderman then challenged me!  
Said I couldn't be 3  
But I fought and won!  
Now his spidey days are done

\*Chorus\*
