To continue the fun with your Girl Scout(s) during this time, visit our national [Girl Scouts at Home](#) page for badge and Journey activities, service projects, patches, and event recordings that you can use either in-person or virtually. You can also visit the [Girl Scout Shop](#) for printed or downloadable program materials by badge and Journey.

Be on the lookout at the beginning of December for the ***We're Live!*** Email from GSUSA to notify you we are live and refreshed. Thank you for your patience while we work to enhance your Girl Scout member experience.
