

1:1 Cookie Booths for Senior and Ambassador Girl Scouts

The Girl Scouts of San Gorgonio Council is excited to offer an exclusive 1:1 booth sale opportunity for our Senior and Ambassador Girl Scouts. Reaching this stage in Girl Scouts is a significant milestone, reflecting dedication, resilience, and self-confidence. We understand that as older Girl Scouts, balancing busy schedules with SAT prep, college applications, and other commitments can make time scarce. In recognition of this, we are offering 1:1 ratio cookie booths to empower our Senior and Ambassador Girl Scouts to achieve their goals and fund their programmatic experiences.

Please join us in congratulating these young women for their commitment to the values of Girl Scouting, and for their contributions to their communities. Today's Girl Scouts are shaping the leaders of tomorrow.
