For events that also require the submission of an Intent to Event, a confirmed reservation does not guarantee approval of an Intent to Event and an approved Intent to Event does not guarantee the desired space is reserved without a submitted reservation request. You can find more information about Intent to Event in forms under the GSSGC website.

Confirmation for the use of GSSGC Office Reservation will be sent by customercare@gssgc.org. The confirmation for use of each Scout House will be sent by a volunteer from each Region along with councils help.
